TO THE SCHOOL COUNCIL, PRINCIPAL

SPORTS-MASTER AND STUDENTS:

On Thursday 4th August the South East Zone of the Victorian Clay Target Association, Victorian Schoolboy/Schoolgirl Championships will take place at the Frankston Australian Clay Target Club Inc. Your School is invited to be represented at this Championship. The emphasis of the day's activities are based on gun safety. Many of Australia's top shooting Champions and Instructors will be involved in this aspect of the Championships.

We appreciate that gun safety is being taught to young people in many schools as a normal curriculum/sport activity and schools are using local Clay Target Clubs for practical support.

This Championship brings together young people, only with experience in gun safety.

Low recoil ammunition will be provided. The Frankston Australian Club is providing its facilities free of charge, in the interest of this safety program.

Please give this outstanding sporting day your consideration and hopefully your support for the students who have satisfied your school, that they are able to compete at a competent standard.

**PLEASE NOTE THAT THIS IS “NOT” A
CHAMPIONSHIP FOR BEGINNERS, BUT
RATHER FOR THE ADVANCED STUDENTS.**

THE ZONE CAN HELP WITH INFORMATION ON THE CLUB OR COACH
IN YOUR AREA.

Yours faithfully,

Brooke McMillan

President - South East Zone V.C.T.A.

Awareness of gun safety and involvement may save lives and for this reason we commend this championship to you.

It should be pointed out that this championship is not for the inexperienced but rather it provides a culmination for those who, through school programs or gun club programs, have a working knowledge of technique and gun safety.

Our thanks to the Winchester, division of Olin for their Sponsorship and organisation of the ammunition for this program.
